Hardy Plants

Rock Plants and Bulbs

Spring 1934

GARDEN TREASURE

Our gold,—
 where gilded cups of crocuses arise,
Our pearls,—
 where valley lilies' beads are cased in
 green,
Our gems,—
 where stonecrop spreads its starry ruby
 eyes,
And diamond crusted houseleeks
 hide in nooks unseen.

Our wine,—
 the sun 'stilled sweets of lavender and
 rue,
Our song,—
 Narcissus bending to Forget-me-not,
Our dream,
 a humming bird atilt in larkspur's blue,
Our peace,—
 where lilies shine in shade embroidered
 plot.

As the awaking spring sends new life coursing through the veins of trees and plants and of humankind as well, we long for garden treasure, so transient, and yet so satisfying. Like most of life's greatest gifts it is ours only by intelligent planning and patient cultivation.

Fisher Flower Farm offers you garden treasures, sturdy dependable plants of proven merit. We shall be glad to give desired cultural information and suggestions for planting. Detailed plans and expert labor in making perennial gardens, alpine gardens or in remaking an old garden will be furnished at reasonable prices. We are wishing you the greatest success in your gardening activities during the season of 1934.

ANNUALS

Our annuals are grown from the choicest strains of seed obtainable and our best effort is given to producing fine sturdy plants. Many of them are grown in pots and can be shipped and transplanted without disturbing the roots. Others are grown in small flats containing one dozen plants each which can be crated and shipped by express. Plants dug from the cold frames at 35 cents per dozen have been once transplanted.

We are trying many of the newer and less known varieties and are glad to share our ventures with you. Here are a few of them, *Linaria*, Fairy Bouquet, enchanting multi-colored flowers like small snapdragons—*Begonia Flowered Poppies* in delicate shades of salmon and rose, transplants well,—*Chrysanthemum nivelli*, large single pure yellow marguerites,—*Celosia spicata*, long straight spikes of lilac pink flowers,—*Dimorphotheca Hybrids*, low growing African Daisies in a mixture of apricot, lemon and orange shades,—all at 40 cents per dozen.
